si para algo soy bueno es para hacer la guerra el extraditado constituye el retrato implacable sobre benjamín arellano felix jefe máximo del cártel de tijuana una de las organizaciones criminales más poderosas durante la

década de los noventa desde una perspectiva cercana la historia muestra el testimonio directo del protagonista siendo la primera vez que un capo mexicano ofrece su versión de los hechos desde la extradición en estados unidos con un estilo vertiginoso siempre exento de juicios morales juan carlos reyna despliega una impactante crónica donde la voz del personaje principal confluye con información inédita de diversos expedientes judiciales así el lector va descubriendo los entresijos de varios hitos en la historia del narcotráfico como la balacera de la discoteca christine el asesinato del cardenal posadas ocampo o la detención del propio benjamín arellano en puebla tuve la impresión afirma el autor de que la historia de los arellano félix entrecruzada con la de méxico en general era una sucesión brutal de ajusticiamientos situado más allá de la trinchera periodística en ese recorrido lleno de velocidad y desconcertantes giros se ponen al desnudo las entrañas del cártel sus nexos empresariales políticos sus jerarquías y modos de operar el resultado es una compleja y profunda visión sobre la acumulación de poder a través del feroz ejercicio de la violencia a mí me extraditó el pan porque a mí el pri no me extradita english description if i m good at anything it s waging war the extradited paints a merciless portrait of benjamín arellano félix commander in chief of the tijuana cartel one of the most powerful criminal organizations during the decade of the 90s from an intimate perspective the story shows the direct testimony of the protagonist the first time that a mexican mob boss offers his version of the events after extradition from the united states with a dizzying style and always free of moral judgments juan carlos reyna unfolds a striking chronicle where the voice of the main character converges with previously unpublished information from different judicial records thus the reader can discover hidden details in the story of drug trafficking such as the shoot out at the christine nightclub the assassination of cardinal posadas ocampo or the arrest of benjamín arellano himself in puebla

this work brings together a new generation of drug historians and new historical sources to uncover the history of the drug trade and its regulations while the us and mexican governments developed anti drug discourses and policies
