the muse is one of the oldest archetypes in human civilization and in the past was a  
representation of an idealized woman blessed with beauty and creativity and exerting irresistible  
attraction for many a man nowadays in the wake of feminism the idea of the muse seems a bit  
obsolete quaint or downright sexist and is said to enhance a vicious stereotype of the creative  
productive and active man and the passive submissive and docile woman however this book  
shows that this in fa
