discover how to live a spiritual life instead of a soulish life we are tripartite beings having body soul and spirit the spirit is conscious of god the soul of self and the body of the things of this world in this relatable treatise backed by her own experience author juliet tennison describes how to avoid war within ourselves as she examines the spirit soul and body and unpacks scriptural truths about spiritual versus carnal living god created us for love and to have an intimate relationship with him we will never understand who we are until we see ourselves as god sees us in the garden of

eden man had perfect relationship with god but after the fall sin separated man from him adam and eve hid from god because the soul had become self conscious instead of god conscious and they could no longer enjoy walking in fellowship with a holy god we were created to love god and to love others but our soul keeps us from ever achieving this purpose we must lose our soul to love and we must seek god who is love god created us to live a supernatural life by the power of the holy spirit our brain our will and our emotions which make up our soul are natural the body we walk in is natural the soul and the spirit are so close to one another that the two require the word of god to divide them to separate them from each other for the word of god is living and powerful and sharper than any two edged sword piercing even to the division of soul and spirit and of joints and marrow and is a discerner of the thoughts and intents of the heart hebrews 4 12 so many of us practice religion without relationship this is churchianity we attend church but have no relationship with jesus christ we pray for forgiveness without repenting our sins repentance means to stop doing our will and to start doing god s will we struggle in our walk with god because we fail to differentiate between our soul and our spirit we substitute the thoughts or emotions of the soul for the works of the holy spirit the holy spirit can only take residence in our spirit it is in our spirit that we worship fellowship and stay connected to god for god is spirit and those who worship him must worship in spirit and truth john 4 24 the knowledge of god is not some generic idea that he exists up there it involves an intimate acquaintance with his character and actions god s love is manifested in his son jesus christ s life death and resurrection he has placed his spirit within his adopted children giving us a heart to love him a mind to know him and a will to obey him the salvation which comes from god means being completely delivered from our self and being placed into perfect union with him by the power of the holy spirit as fallen humans we need a savior to save us from our own wicked soul salvation is only understood in our spirit and only when the spirit is made alive by the indwelling of the holy spirit the soul cannot comprehend this because it is filled with its own pride neither can the body which is world conscious and only understands the worldly things knowing these things we learn to live a victorious spiritual life as the holy spirit lives in our spirit and we crucify the detrimental desires of the soul and body

complete whole and perfect that is god s plan for every believer in christ yet how do you live in harmony with yourself and others jessie penn lewis explains that each aspect of your being spirit soul and body has its own unique role and functions when you know how to keep these aspects in their proper relationship you will be free to live through the power and life of the spirit of god by applying the biblical truths outlined in this book you will learn steps to overcoming sin powerful laws of the spiritual life how to defeat the schemes of the enemy how to gain true spiritual

wisdom how to find real peace as you discover these life changing principles you will gain the joyful spiritual maturity that you have always wanted

from a biblical perspective of our human nature we are spirit and soul and body 1 thessalonians 5 23 understanding each dimension of our being and how each is to relate to the others according to god s created order is a strategic key of the kingdom of god come take hold of this key that will revolutionize and revitalize your spiritual journey our human spirit should abide in deep communion with god s holy spirit then our human spirit infused and led by the holy spirit should direct the mind will and emotions of our human soul which should manifest in the health and well being of our human bodies all is well with my soul when all is well with my spirit all is well with my body when all is well with my soul but for all to be well we must learn to allow the holy spirit to correctly align our spirit and soul and body first the spirit then the soul then the body as we ll discover looking more deeply into these three dimensions of our being when we re correctly aligned with the human spirit first we will live out our daily journey with more spiritual health and growing maturity fulfilled with more peace and joy walking in the wisdom of god instead of the ways of the world in right alignment my human spirit which is receiving my sense of guidance and discernment by abiding in communion with god s holy spirit directs my soul my soul is my mind will and emotions so my spirit should direct my mind and how i think my will and the choices i make my emotions and how i sense and feel and experience the world around me then then my soul should direct my body in right alignment my body manifests what s going on in my soul and my soul manifests what s going on in my spirit and my spirit manifests my abiding relationship with god s holy spirit first the spirit then then the soul then the body this is what i call spiritual alignment or walking out my spiritual journey as a spiritual christian but the trouble is that much of the time we tend to live out our daily lives in a different order than god s created order instead of living in right alignment we re living out of alignment first the soul instead of first the spirit first the soul then the spirit then the body this is what i call soulish alignment or walking out my spiritual journey as a soulish christian in that wrong order when i m out of proper alignment i am more soulish than spiritual and all will not be well with my soul in the soulish alignment i ll be driven more by my own desires in the mind will and emotions of my soul rather than humbling myself to be led by god s holy spirit directing my human spirit when i m in a soulish alignment my mind will insist on my own thoughts instead of yielding to god s thoughts my human freewill will insist on my own will instead of yielding to god s will and my emotions will insist on driving my actions by reacting from my soul instead of responding by the leading of my spirit being led by god s holy spirit whether my spirit is on top and in charge directing my soul or whether my soul is on top and in charge suppressing my spirit makes all the difference and as we ll see

alignment is everything the good news is that by the grace of god we can recognize it when we're being more soulish than spiritual and make a choice to humble our souls to come back into right alignment of spirit soul and body by far this has become one of the most revolutionary insights of my spiritual journey and as i've shared these principles of this book through the years i've heard so many testimonies of these simple insights becoming life changing for men and women at all stages of their spiritual journey to christ like maturity that's why i'm thrilled to share them with you

penn lewis brings biblical truth to bear on the study of psychology in this powerful book by identifying the dividing line between soul and the spirit in the human nature she uncovers practical principles by which we can deny our carnal nature resist the influence of satan and truly become spiritual christians

this is the first of four volumes of messages received by james padgett the first edition was published in 1941 and contains the most significant of the spiritual concepts that he learned from jesus and his disciples included in these concepts are the true mission of jesus the structure of the heavens immortality who and what is god the holy spirit the resurrection forgiveness and the vicarious atonement this is an amazingly coherent yet very simple set of teachings cover every question one might have yet these are sadly not the teachings that the churches currently teach even though one can see where in the new testament support lies for what padgett received this edition has dates added and a great many useful footnotes it also has a message from james and helen padgett received in 2014 giving a great many personal details that were not previously known

in 1996 a discovery was made of a body of knowledge which is believed to have important implications for the future of man in that year it was discovered that many cultural artifacts produced by man since about 30 000 bc possess an unusual symbolism in the creation its infinite features and finite realms artifacts of man that possess this unusual symbolism are referred to as inspired sources volume iv of the creation series addresses inspired sources that pertain to the destiny of man to carry the gospel of jesus christ and expand the kingdom of god to other stellar systems in the milky way galaxy and ultimately to distant parts of the universe in the future age this study also briefly addresses the means that is spaceship propulsion wormhole travel and black hole travel by which man and other living entities who serve the creator in the present age will travel to stellar and galactic destinations in the future age

in this day of the revival of spiritism when so many through the loss of loved ones in

the great world war are longing to communicate with the dead and are resorting to forbidden means to that end a day in which science is trying to discover whether there is another world than this and whether men live after death and if so can they communicate with the living it seems timely that a book should be written to show what the holy scriptures have revealed of the world of spirits the bible has much to say about the spirit world and if we will carefully search its pages we shall know all there is to be known in this life of the world to come for if men will not listen to moses and the prophets they will not be persuaded though one rose or came back from the dead luke 16 31 foreword
